The Association of Related Churches (ARC) is a cooperative of independent churches from different denominations, networks, and backgrounds who strategically resource church planters and pastors to help them reach people with the message of Jesus. **Since its beginning in 2000, ARC has planted \*1,114 churches worldwide.** \*As of July 2024.

If you feel called to plant a life-giving church or want to learn more about ARC and our launch process, register to attend an **ARC Launch** training event. There are multiple ARC Launch events each year. You will hear from ARC pastors, coaches, and staff as they share the nuts and bolts of church planting. Church planters, existing churches, and campus pastors can join and learn with us. Visit arcchurches.com/launch to get started.

If you want to be part of resourcing, supporting, and planting new life-giving churches, we invite you to become a part of the **ARC Family**. Together, we have planted 1,114 churches and reached communities across the globe with the message of Jesus. 100% of the giving to ARC goes towards planting life-giving churches. We are grateful to each member of ARC for their generosity and investment towards planting and multiplying the local church. Connect with us at arcchurches.com/connect.

We invite you and your team to join us next year at the **ARC Conference** at Milestone Church in Dallas/Fort Worth, TX, on April 29–30, 2025. Our goal is to provide pastors, leaders, and future church planters with the opportunity to build relationships and receive resources to help the local church thrive. At ARC, we prioritize relationships. We firmly believe in the power of community and the strength it brings to ministry. Register at arcconference.com.

If you are looking for practical resources or services to help your church thrive, we encourage you to contact any of our **ARC Resource Partners**. These organizations are committed to building the Kingdom, and we are proud to partner with them in ministry. Learn more at arcchurches.com/partners.
